To our Friends, Sponsors and Community:

The Lawrence County Junior Fair Association appreciates the wonderful support from our community and we would once again like to thank each and every one of you who have contributed to the fair, whether it has been monetary donation, materials, supplies, labor or any other support that you have provided to us. There are a lot of special people and businesses who take pride in our community and enjoy seeing the fair continue to grow and improve. We couldn't do it without support from our sponsors.

Support from many volunteers, community leaders and businesses that believe strongly in the value of our youth and the integrity of the county fair are needed to support the 2018 County Fair. The generosity of sponsors made it possible for us to provide premiums and awards and to maintain and improve the fairgrounds to make it a safe and enjoyable place in the community.

Lawrence County Junior Fair has been designated as an official 501c3 not-for-profit organization which enables us to offer a tax advantage represented by this new status to our many friends, fans and supporters.

Below you will see fair sponsor packages that we would like for you to consider. Sponsoring an event or attraction helps us ensure the longevity of our fair.
